

INSTRUCTION MANUAL:

1. PLACE THE COLLECTIVE MEMORY BOX OVER YOUR HEAD. IT IS RECOMMENDED THAT YOU DO THIS IN A DARK SPACE WITH LITTLE TO NO SOUND AROUND YOU.
2. INSERT YOUR IPHONE AND HEADPHONES INTO THE PHONE HOLDER GLUED TO THE INSIDE OF THE BOX TO BEGIN YOUR AUDIO AND VISUAL IMMERSIVE EXPERIENCE.
3. FOR THE VISUAL COMPONENT, TURN YOUR HEAD SO YOU CAN FOLLOW THE 360 DEGREE IMAGES AS THEY MOVE THROUGH THE SLIDESHOW. FEEL FREE TO ZOOM IN ON THE IMAGES AT YOUR LEISURE. YOU DO NOT NEED TO PLAY THE AUDIO AND VISUAL COMPONENTS AT THE SAME TIME. IT IS RECOMMENDED THAT YOU EXPERIENCE THEM SEPARATELY.
4. YOU CAN PAUSE THE AUDIO AND VISUAL COMPONENTS AT ANY TIME.
5. IT IS ENCOURAGED THAT YOU ADD OBJECTS, IMAGES, OR WRITTEN WORK TO THE OUTSIDE PORTION OF THE BOX SO IT CAN GROW JUST AS YOU DO.

NOTE: THE BOX CAN ONLY FIT ONE USER. STAY TUNED FOR “THE COLLECTIVE MEMORY BOX 2.0” WHICH CAN FIT UP TO FOUR USERS.

TESTIMONIALS:

“Listening to the voices of others keeps Daisy’s legacy alive in a way that doesn’t sting. It feels natural, effortless, and gratifying.” -Olive Daniels ‘19

“Experiencing the 360 degree photographs of the spaces that Daisy’s presence touched provides me with a window into what she saw, thought, and experienced.” - London Judge ‘17

“The Collective Memory Box gives me the control I need during the grieving process. Hearing the voices of other people shows me the impact Daisy had on others beyond myself.” -Nick Johnson ‘19
